Subject: Letter of Support for the DIGITAL-2024-ADVANCED-SKILLS-06-WOMEN Initiative

To whom it might concern,

The Office of the Gender Equality and Equal Treatment Commissioner of Estonia expresses its support for the proposal "**Bridging the Digital Divide: Enhancing Female Participation in ICT**" to be presented under the **DIGITAL-2024-ADVANCED-SKILLS-06-WOMEN** call of the **Digital Europe Programme.**

This project aligns closely with our goals and mission. We recognize the significant impact that enhancing female participation in the ICT sector can have on Europe's digital landscape. Therefore, we express our willingness to support this project, in case of approval by the European Commission, with the following roles/tasks:

- Promotion and Dissemination: We will leverage our communication channels and networks to enhance the visibility and reach of the project's outcomes. By sharing success stories, key findings, and practical recommendations, we aim to amplify the impact of your initiatives.
- Expertise and Feedback: We will provide expert insights and constructive feedback on strategies and actions developed within the project framework.
- Engagement: we will facilitate connections helping to foster a collaborative environment that supports the project's goals.

It is understood that this letter shall not imply for any financial obligation or commitment from signatory.

Yours sincerely,
Christian Veske
Gender Equality and Equal Treatment Commissioner in Estonia
